Subject: DTSC News Feed

DTSC News Feed is a weekly email that pulls together short updates and internet links to keep you informed about the latest accomplishments and news highlights at the California Department of Toxic Substances Control (DTSC).

January 15, 2015

- DTSC approved the cleanup plan at the Los Angeles State Historic Park after soil contamination was discovered.
- Get the latest update on the residential cleanup progress near the Exide facility in Vernon.
- Watch DTSC's video on E-Waste recycling and learn where to recycle old electronic devices. The video is also available in Spanish.
- If you missed last month's DTSC quarterly public meeting, you can watch it here.

Archived versions of DTSC News Feed can be found on the department website.
